

## CAB HEATERS

**Make work more enjoyable during the harsh winter months with these cab heaters.**

These heaters are available in 3 different versions:

- ▶ Fitted to the cooling system
- ▶ Fitted to the engine oil heating system
- ▶ Electric:
  - 12/24V ICE truck (Internal Combustion Engine)
  - 48/80V Electric truck

Most of the heaters have an adjustable fan speed and come supplied with a complete installation manual..

For each heater, TVH can supply a wide range of different accessories: mounting kits, air outlets, grids...

For more info on the cab heaters, please contact Jo Nevejan.

Check out our extensive range in our TVH Master Catalogue
